

# All private rooms.

## Now *That's* Better!

“Every patient admitted to *Frederick Memorial Hospital* now enjoys the personal comforts of a private room. All rooms offer private baths, and many rooms have sleep sofas, or rocker recliners for the comfort of visitors and guests.

Privacy when you *need* it.  
Comfort when you *want* it.  
Outstanding care. *All of the time.*”

- Dr. Rose Labriola  
Senior Vice President  
Patient Care Services

Superb Quality. Superb Service. *All the Time.*
